MEMORANDUM FOR THE RECORD

SUBJECT: Possible Visit of White House Assistant Moyers

I took up with the DDI the possibility of his inviting White House Assistant Moyer to headquarters building for lunch and briefing. He indicated he wanted to discuss the general problem of our relations with the White House with the Director but would first like to have a little memo from us describing how things are going at the present time.

ACTION: [REDACTED]

STATINTL

DUE : No set deadline.
